SOURCE & EDITORIAL NOTES

- All 448 questions, original A-D choices and answer-key letters come from the uploaded SSC CHSL 2019-2025 vocabulary compilation (source Q452-Q899).
- Exact dates are shown only where the compilation specifies them. Most older questions give the exam year, tier and shift instead.
- The source includes correct-spelling, misspelt-word, error-in-sentence and correction-selection questions. Original instructions, sentences and options are preserved.
- Option explanations include standard spellings and context notes, while all source keys remain traceable. Source-key conflicts are visibly flagged for review.
