Every alphabet unit ends with form recall and sentence correction exercises. The answers are collected at the end so you can test yourself fairly.

LEARNING ROUTE

START HERE

# How to study this workbook

Follow a simple learning loop instead of memorising the alphabet from start to finish.

**01 UNDERSTAND**
Read the first 11 lessons. Learn what V1, V2 and V3 do in sentences.

**02 RECOGNISE**
Use the pattern chapters to find regularities in irregular forms.

**03 READ + RECALL**
Study each A-Z unit; cover a column and say the missing form.

**04 PRACTISE**
Complete two checkpoints after each unit. Mark mistakes in a retry list.

**05 TEST**
Attempt all eight mixed tests without viewing the answer key.

**06 REVISIT**
Use the 30-day planner and revise wrong answers after 1, 3 and 7 days.

A USEFUL HABIT **Say it. Hide it. Write it. Check it.**

FOUNDATION LESSONS

LESSON 01

# Three forms, three different jobs

V1 names the action; V2 normally describes a finished past action; V3 joins with an auxiliary verb.

## THE BIG IDEA

V1 names the action; V2 normally describes a finished past action; V3 joins with an auxiliary verb.

## SEE IT IN CONTEXT

| | |
|---|---|
| **V1 - base** | We **write** notes after class. |
| **V2 - past** | We **wrote** notes yesterday. |
| **V3 - participle** | We have **written** the notes. |

## REMEMBER THESE RULES

- Use the base form for infinitives and many present-tense structures.
- Use V2 for the simple past in an affirmative sentence.
- Use V3 after have, has or had, and in many passive constructions.

## EXAM TRAP

V3 is not another name for the simple past. "I written" is wrong; say "I wrote" or "I have written".

## 3 QUICK CHECKS

| L01.01 Past of write | L01.02 V3 of see | L01.03 Base form of took |
|---|---|---|
| _____ | _____ | _____ |

FOUNDATION LESSONS

LESSON 02

# The simple past: V2 in context

Use V2 to describe completed actions, especially with yesterday, last week, in 2020 and other past-time markers.

## THE BIG IDEA

Use V2 to describe completed actions, especially with yesterday, last week, in 2020 and other past-time markers.

## SEE IT IN CONTEXT

| | |
|---|---|
| **Completed past** | She **chose** the correct option. |
| **Negative past** | She did not **choose** the wrong option. |
| **Question** | Did she **choose** the answer? |

## REMEMBER THESE RULES

- In affirmative past statements, use V2: took, wrote, played.
- After did or did not, use the base form V1.
- A past-time phrase does not change this did + V1 rule.

## EXAM TRAP

Incorrect: "Did you went?" Correct: "Did you go?" The auxiliary did already expresses past time.

## 3 QUICK CHECKS

| L02.01 After did not: go or went? | L02.02 V2 of buy | L02.03 V2 of make |
|---|---|---|
| _____ | _____ | _____ |

FOUNDATION LESSONS

LESSON 03

# Present perfect: have / has + V3

The perfect construction links an earlier action to the present. It needs a past participle, not the simple-past form.

## THE BIG IDEA

The perfect construction links an earlier action to the present. It needs a past participle, not the simple-past form.

## SEE IT IN CONTEXT

| | |
|---|---|
| **Correct** | She has **spoken** clearly. |
| **Correct** | They have **finished** the task. |
| **Incorrect** | She has **spoke** clearly. |

## REMEMBER THESE RULES

- Have is used with I, you, we and they; has with he, she and it.
- The verb after have/has is V3: gone, written, eaten.
- For a finished action at a stated past time, the simple past is often more natural.

## EXAM TRAP

Incorrect: "I have saw it." Correct: "I have seen it."

## 3 QUICK CHECKS

| L03.01 V3 of speak | L03.02 V3 of eat | L03.03 Auxiliary with she |

FOUNDATION LESSONS

LESSON 04

# Past perfect: had + V3

Past perfect can show that one past action occurred before another past action.

## THE BIG IDEA

Past perfect can show that one past action occurred before another past action.

## SEE IT IN CONTEXT

| | |
|---|---|
| **Earlier action** | The train had **left** before we arrived. |
| **Another example** | She had **read** the chapter before class. |
| **Wrong form** | He had **went** home already. |

## REMEMBER THESE RULES

- Use had with every subject: I, she, they, everyone.
- The main verb remains in V3: left, read, gone.
- Do not use past perfect simply because a sentence mentions yesterday.

## EXAM TRAP

Incorrect: "They had ate." Correct: "They had eaten."

## 3 QUICK CHECKS

| L04.01 V3 of leave | L04.02 V3 of go | L04.03 V3 of break |
|---|---|---|
| _____ | _____ | _____ |

FOUNDATION LESSONS

LESSON 05

# The passive voice uses V3

In passive constructions the subject receives the action. The main verb appears in its past-participle form.

## THE BIG IDEA

In passive constructions the subject receives the action. The main verb appears in its past-participle form.

## SEE IT IN CONTEXT

| | |
|---|---|
| **Present passive** | The report is **checked** every day. |
| **Past passive** | The letter was **written** yesterday. |
| **Future passive** | The lesson will be **taught** tomorrow. |

## REMEMBER THESE RULES

- Common structure: be + V3 (is, was, were, been, will be).
- In passive voice, choose the tense through the auxiliary verb.
- Not every sentence can be made passive; verbs need an appropriate object.

## EXAM TRAP

Incorrect: "The work was did." Correct: "The work was done."

## 3 QUICK CHECKS

| L05.01 V3 of do | L05.02 V3 of teach | L05.03 V3 of write |

LESSON 06

# Regular verbs and spelling rules

Most English verbs are regular, but the ending changes slightly according to the spelling.

### THE BIG IDEA

Most English verbs are regular, but the ending changes slightly according to the spelling.

### SEE IT IN CONTEXT

| | |
|---|---|
| **Add -ed** | work -> **worked** |
| **Final -e: add -d** | live -> **lived** |
| **Consonant + y** | carry -> **carried** |
| **Short stressed vowel + consonant** | stop -> **stopped** |

### REMEMBER THESE RULES

- When the verb ends in -e, add -d rather than -ed.
- For consonant + y, change y to i before -ed; play becomes played.
- Double the final consonant in words such as stop and admit, but not all verbs.

### EXAM TRAP

Do not automatically double every last consonant. "Open" becomes "opened", not "openned".

### 3 QUICK CHECKS

LESSON 07

# Irregular verbs: recognise families

Irregular verbs often form small families. Learning related forms together builds faster recall.

## THE BIG IDEA

Irregular verbs often form small families. Learning related forms together builds faster recall.

## SEE IT IN CONTEXT

| | |
|---|---|
| **No change** | cut - cut - cut |
| **V2 equals V3** | buy - bought - bought |
| **All three change** | sing - sang - sung |
| **V3 ends in -en** | take - took - taken |

## REMEMBER THESE RULES

- Do not assume every irregular verb has three different spellings.
- Group similar changes rather than memorising random isolated words.
- Recite the three forms aloud, then write them without looking.

## EXAM TRAP

A frequent error is using V2 as V3: "has sang" should be "has sung".

## 3 QUICK CHECKS

| L07.01 V3 of ring | L07.02 V2 of take | L07.03 V3 of cut |

LESSON 08

# Did, modals and infinitives

Certain helper words require the base form, even when the sentence refers to the past or future.

## THE BIG IDEA

Certain helper words require the base form, even when the sentence refers to the past or future.

## SEE IT IN CONTEXT

| | |

| **After did** | Did she **write** the answer? |
| **After can** | He can **solve** the question. |
| **After will** | We will **begin** now. |
| **After to** | She wants to **learn**. |

## REMEMBER THESE RULES

- Do + V1 follows did, can, could, should, would, must and will.
- After to in an infinitive, use V1: to write, to go.
- Do not use V2 simply because the sentence refers to the past.

## EXAM TRAP

Incorrect: "She can spoke English." Correct: "She can speak English."

L08.01 After must: study or studied? _____

L08.02 After did: write or wrote? _____

LESSON 09

# Avoid the most common form traps

Many exam questions test whether learners distinguish a finite verb from a participle.

## THE BIG IDEA

Many exam questions test whether learners distinguish a finite verb from a participle.

## SEE IT IN CONTEXT

|---|---|
| **Wrong** | I have **ran** a race. |
| **Right** | I have **run** a race. |
| **Wrong** | She has **took** the test. |
| **Right** | She has **taken** the test. |

## REMEMBER THESE RULES

- Underline the helping verb before deciding which form is needed.
- If the sentence uses has/have/had, check V3 first.
- After was/were, decide whether the sentence needs -ing or a passive V3.

## EXAM TRAP

"Was writing" is continuous. "Was written" is passive. They mean different things.

LESSON 10

# Accepted forms and regional usage

Some verbs have more than one recognised past or participle form. Different regions and meanings can favour different choices.

## REMEMBER THESE RULES

- Gotten is common as V3 in American English; got is normal in British English.
- Hanged is chiefly used for execution, whereas hung is usual for hanging objects.
- Read is spelled the same in V1, V2 and V3 but its past forms sound like "red".

## EXAM TRAP

Do not mark a valid regional variant wrong merely because your reference table prefers another spelling.

| **Step 2** | Cover V2 and V3; recall them from V1. |
| **Step 3** | Write a sentence with one of the verbs. |
| **Step 4** | Review missed forms tomorrow and next week. |

## REMEMBER THESE RULES

- Use each reference page as a two-way quiz.
- Record wrong answers in a personal "retry list".
- Use the 30-day planner to keep learning consistent.

## EXAM TRAP

Aim for accuracy, not speed. A smaller number of correctly recalled verbs is better than skimming an entire chapter.
